

United States Senate

WASHINGTON, DC 20510

The Honorable Tammy Baldwin
Chair
Appropriations Subcommittee on Labor,
Health and Human Services, Education, and
Related Agencies
United States Senate
Washington, D.C. 20510

The Honorable Shelley Moore Capito
Ranking Member
Appropriations Subcommittee on Labor,
Health and Human Services, Education, and
Related Agencies
United States Senate
Washington, D.C. 20510

Dear Chair Baldwin and Ranking Member Capito,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Labor, Health and Human Services, and Education, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Maria Cantwell
United States Senator

**Cantwell, Maria(D-WA) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
East Adams Rural Healthcare	To establish a Community Health and Wellness Center in Adams County, a rural and underserved region.	Adams County WA	\$3,034
Northwest Indian College	To equip the necessary STEM departments with a goal of recruiting and graduating more Indigenous students into the various scientific fields that advance Tribal communities.	Bellingham WA	\$1,200
Western Washington University	WWU is seeking federal funding for the advanced technology equipment needed to ensure the facility is equipped to support hands-on learning and expand opportunities for undergraduate research and industry collaboration.	Bellingham WA	\$2,425
Benton County	To expand Benton County's existing recovery treatment center to help residents achieve permanent sobriety.	Benton County WA	\$4,900
University of Washington	To create an accredited Business degree and parallel online certificate program to allow working professionals on reservations to refine their skills and help address their tribe's economic development aspirations.	Bothell WA	\$500
Latino Civic Alliance	To provide a hub for workforce education and training for unemployed or underemployed BIPOC workers in the technology and aerospace workforce.	Burien WA	\$681
Clark College	To expand Clark College's Diesel and Automotive Technology Programs to support students pursuing careers in clean energy technology.	Clark WA	\$1,176
YWCA Clark County	To support the YWCA Clark County preschool in its transition to become a therapeutic preschool serving vulnerable children aged 2.5-5.	Clark County WA	\$475
Cowlitz Indian Tribe	To establish a fully staffed mobile medical vehicle that will provide services at key locations in Clark, Cowlitz, and King Counties to ensure consistent access to care for patients who are homeless or otherwise unable to access clinic-based services.	Cowlitz County WA	\$686
YMCA of Southwest Washington	To make more of YMCA of Southwest Washington's facilities ADA-accessible.	Cowlitz County WA	\$670
Grays Harbor County Public Hospital District No. 1 dba. Summit Pacific Medical Center	To expand Summit Pacific Medical Center so it can better meet the needs of its rural region.	Grays Harbor County WA	\$5,000
Jefferson County Public Hospital District No. 2, dba Jefferson Healthcare	To expand specialty care for seniors in Jefferson County.	Jefferson County WA	\$2,000
University of Washington	To expand the University of Washington's Biosafety Level-3 facility to support research into lethal human pathogens.	King County WA	\$3,500
Evergreen Treatment Services	To modernize and expand services at the largest single-site opioid treatment program in King County.	King County WA	\$5,093
Seattle Children's Research Institute	To support Seattle Children's Biosafety Level 3 Containment Laboratory that allows researchers to work on microbes and infectious agents that can cause serious or potentially lethal disease through inhalation.	King County WA	\$7,000
National Asian Pacific Center on Aging	To help AANHPI seniors with low English proficiency access health care and other public benefit programs.	King County WA	\$1,000

University of Washington	To build a Digital Innovation Hub at the University of Washington that will facilitate scientific risk-taking across the university and improve human health using digital health technologies.	King County WA	\$975
Lower Columbia College	Funding will be used for equipment and technology upgrades for vocational training in industries such as welding and machining.	Longview WA	\$1,500
Family Health Centers	To create a new dental clinic in Okanogan County.	Okanogan County WA	\$3,000
South Puget Sound Community College	These funds will be used for instructional upgrades such as updates to computer systems and appliances, and hardware and software capabilities. Additionally, facilities upgrades will increase the amount of computer space, a computer lab, increased fiber cables, and various renovations and upgrades.	Olympia WA	\$1,500
Comprehensive Life Resources	To build one location for vulnerable Pierce County residents to access behavioral health care, primary care, dental care, and pharmacy support.	Pierce County WA	\$3,000
University of Washington Tacoma	To support an interdisciplinary model that will address the nursing shortage and expand access to nurses in Washington state.	Pierce County WA	\$1,775
Hope for Heroes Horsemanship Center	To provide therapeutic horsemanship for veterans who are struggling with PTSD and related mental health conditions.	Pierce County WA	\$85
Northwest Maritime Center	The Blue Schools Initiative is an effort to create national best practices for maritime education with the objective of increasing the recruitment and retention rates into the industry.	Port Townsend WA	\$2,350
Page Ahead Children's Literacy Program	K-2 students at majority low-income schools choose 12 new books from a special book fair at their school. Prior to the fair, students and families are invited to a literacy night at their school where they learn about the program. Informative materials for guardians are sent home with the books.	Seattle WA	\$300
Per Scholas	To expand Per Scholas Seattle's IT Job Training program from 20-30 participants to 80 participants and help more low-to-moderate income job seekers gain in-demand skills to launch careers in the IT industry in Seattle.	Seattle WA	\$300
University of Washington	To equip and make fully usable the UW Interdisciplinary Engineering Building (IEB), currently under construction. The funding would support necessary technology, equipment and furnishings and associated design and project management costs.	Seattle WA	\$7,000
Compass Health	To redevelop Compass Health's Everett campus so it can provide a continuum of behavioral healthcare, physical healthcare, and permanent supportive housing services.	Snohomish County WA	\$3,000
Edmonds School District	To expand school-based health care in four high schools in the Edmonds School District.	Snohomish County WA	\$2,541
Gonzaga University	Funding requested by this application would provide needed state-of-the-art equipment to academic departments housed within the Bollier Center, to enable Gonzaga to expand its research and teaching capabilities through innovative, flexible spaces for students in high-demand fields.	Spokane WA	\$1,846
Cancer Can't	To build housing for cancer patients to reside, free of charge, while receiving treatment in Spokane.	Spokane County WA	\$1,500
Saint Martin's University	To address the nursing shortage by expanding St. Martin's University's learning lab and classroom space for its nursing programs.	Thurston County WA	\$1,119
Walla Walla Community College	The Farm to Fork Center will transform the agricultural, agricultural sciences, natural sciences, and culinary arts departments to create fully integrated coursework.	Walla Walla WA	\$1,500

Blue Mountain Heart to Heart	To expand access to low-barrier opioid treatment in southeast Washington.	Walla Walla County WA	\$850
Astria Toppenish Hospital	To expand Astria Toppenish Hospital's civil commitment psychiatric unit.	Yakima County WA	\$2,750
Multicare	To increase Multicare Children's Village's annual patient capacity to serve children with developmental disabilities.	Yakima County WA	\$5,000
